ALL ABOUT THE PROGRAMS

Junior Toddlers Drop In (RONSON)

The focus of this program is on toddlers and their development.

Parents/caregivers play with their toddlers, exploring crafts, sensory activities, toys, pretend play, circle activities and more in our beautiful playroom. (*Juniors – 12-24 months / Seniors 2 – 3 ½ years*)

Baby's World Drop In (RONSON)

The focus for this program is on infants and their early development. Infants and parents/caregivers participate in activities such as circle. Information, workshops, support and resources are available. (*Birth to 12 months*)

Eating for Two (WILLOWRIDGE)**

****Pre-Registered Program.** Prenatal nutrition program for Mom's who may be at risk for delivering an underweight baby. Food supplements, nutritional counseling, support, education, referral and counseling on health and lifestyle issues are provided. Moms and infants can remain in the program until the infant turns 4 months old. Eating for Two is an Etobicoke Pre and Post Natal Nutrition Program delivered in partnership with Rexdale Community Health Centre. Please call 416-898-1225 for information or to register. Also ask about the 'Feeding with Love' program which is a support program for moms with babies up to one year.

Run and Jump Drop In (ISLINGTON VILLAGE)

This program focuses on gross motor skills. Children will play with balls, obstacle courses and activities that will help children with coordination. (*Birth-6 yrs*)

Cooking with Science (RONSON)**

****Pre-Registered Program.** Parents/caregivers and children learn together about the science of cooking and the importance of nutrition while participating in making their own healthy snack. The program takes place in a playroom filled with sensory, creative, science, music and literacy activities (*2 yrs - 6 yrs*)

Parachute Safety Kids Week(HIGHFIELD)

During Drop In program there will be various activities and information for children and parents to raise awareness of injury prevention with young children

Learn and Play Drop In, Family Time Drop In

(RONSON, ISLINGTON VILLAGE, SCARLETT MANOR, HIGHFIELD)

These programs provide a time for parents/caregivers and children to meet others and to play interactively in an early learning environment. Activities include crafts, sensory, blocks, music, reading and much more. It is also a great time to get resources, information and to receive support with referrals. (*Birth-6 yrs*)

Dads and Kids (RONSON)

Dads and kids spend Saturday mornings playing and learning together; enjoying games, activities, circle time, free play and breakfast. (*Birth-6 yrs*)

Kindergarten Readiness and Over a Cup of Tea ** (HIGHFIELD, RONSON)

****Pre-Registered Program.** Kindergarten Readiness offers a stimulating, nurturing and creative learning environment for children that helps them be better prepared and more able to adjust to starting kindergarten. Over a Cup of Tea is a parent discussion group that focuses on child development and parenting topics of interest to participants. Parents of children attending the Kindergarten Readiness program must participate in Over a Cup of Tea.

Special Guests

Why won't my baby sleep? Is my son talking as much as he should? My child is a picky eater. I am worried that my child seems so anxious all the time. What can I do to get my daughter ready to start school?

Do you have questions about your child's health, development or behaviour? Every month our drop-in programs feature special visits from other professionals; sometimes a social worker, a public health nurse, a speech language pathologist or an early literacy specialist. They are here to answer your questions about your child and connect you to additional services and information. Come have a chat soon!
