

## Youth/Student Opportunity - Canada Summer Jobs Program

### Summer Child and Family Program Worker

2 Youth/Student Positions

July – August 2019

**\$14.00 per hour (35 hours per week)**

The George Hull EarlyON Child and Family Centre offers programs to parents and their young children, from birth to six years of age, in several locations across central and north Etobicoke. Programs include group learning activities, parent and child drop-in programs, specialized registered programs, parent workshops, community events, support for families with children who have special needs, resources and supportive referrals.

The Canada Summer Jobs program provides funding to organizations, including those that provide important community services, to create opportunities for youths and students to gain work experiences. **Applicants must meet eligibility requirements of the program, including but not limited to the following: Youths/Students must be between 15 and 30 years of age. Immediate family members of current employees or members of the Board of Directors are ineligible for summer student positions.**
